To some, organization merely means “a place to put things” and little more. To us at Häfele, organization — and especially organization done better than anyone else in our industry — is what drives us to make the product selections which both inspire and define spaces. The things we keep are a reflection of one’s personality and Häfele’s organizational and storage products are here to give every precious item its rightful place in your designs.

## SYMPHONY WALL MOUNT ORGANIZER

Aesthetically refined storage. Anywhere. The TAG Hardware Symphony Wall Mount Organizer from Häfele extends less than 5" from the wall which means it can go almost anywhere. Install it in the hallway, entryway, mud room, on the wall behind a closet door or even across from another system where there may not be enough room for shelves or a hanging section.

Symphony can be easily configured to meet evolving needs. Four hooks are available to store items such as coats, shoes, jewelry and hats. These hooks can be moved as seasonal or storage needs change.

Vertical mounts are available in matt aluminum, matt nickel, matt gold and slate finishes in 19", 42 5/8" and 66 1/4" heights, vegan imitation leather bars are available in winter white, oyster and pewter colors in 13 1/2", 23", 35" and 47" widths. Additional matching hooks are available in aluminum, matt nickel, matt gold and slate finishes.

See Symphony on pages 9–11.

# WARDROBE FITTINGS

The modular, stylish ENGAGE system from Häfele is a revolution in closet organization solutions. Beyond traditional elements such as drawers, closet rods and shelves, ENGAGE offers a wide array of hampers, dividers, shoe organizers, folding stations and storage boxes.

This modular, stylish system can be easily used in practically any space. Additionally, most ENGAGE system components come preassembled, allowing for easy and efficient installation.

Available finishes include matt nickel frames with slate fabric, oil-rubbed bronze with beach fabric, matt gold frames with beach fabric and slate frames with slate fabric in standard 18", 24", 30" and 36" widths.

# HOW TO USE TAG HARDWARE'S SYMPHONY IN YOUR DESIGNS

The TAG Hardware Symphony Wall Mount Organizer from Häfele presents a tremendous opportunity for storage in practically any space. Truly its only limits are your creativity. Whether you have a multi-purpose use in mind like coats, shoes and accessories or a more singular purpose like ties, belts or scarves in mind, Symphony is designed to work with you, your needs and your space.
