

ELITE

35" sliding full rotation mirror

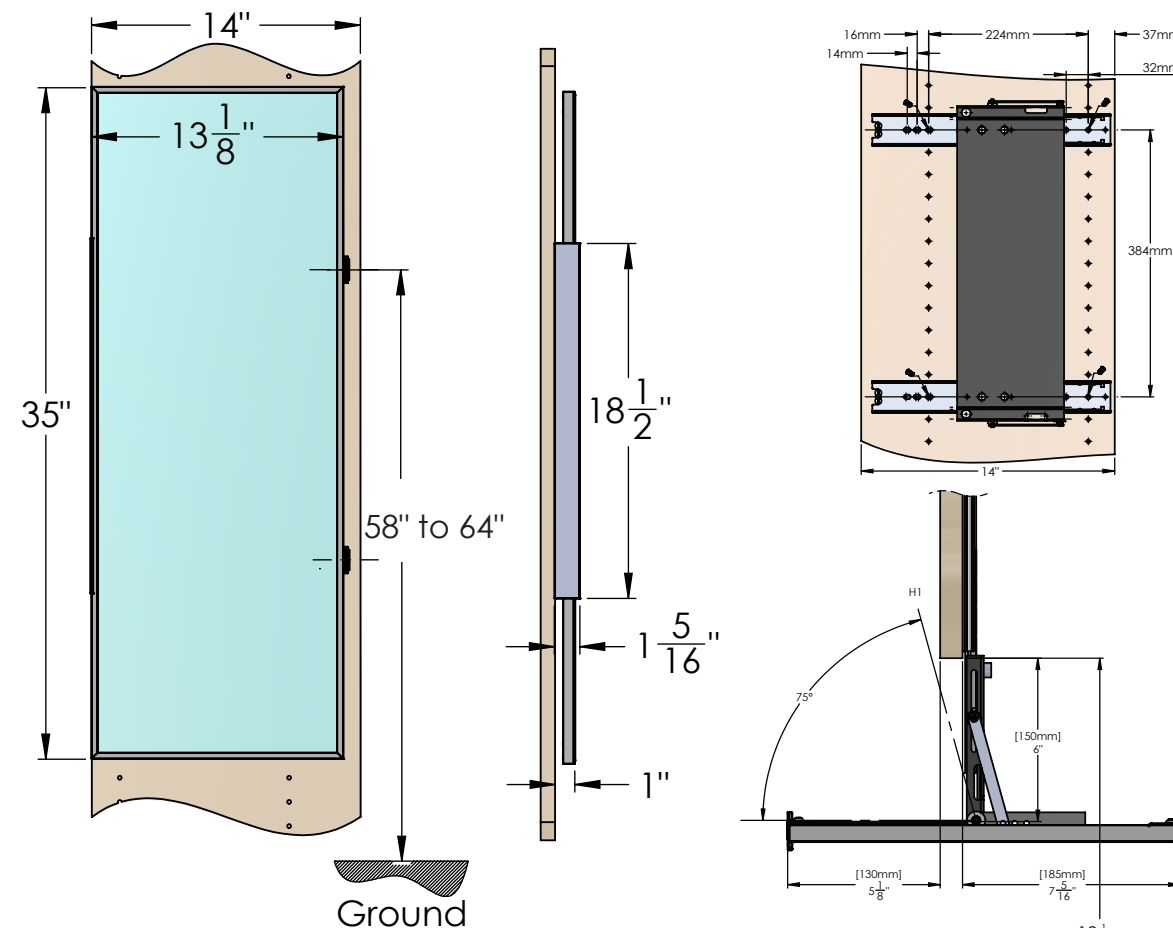

300.3430.35.xxx

FEATURES

The compact 35" height of this mirror allows it to be installed in upper hanging sections

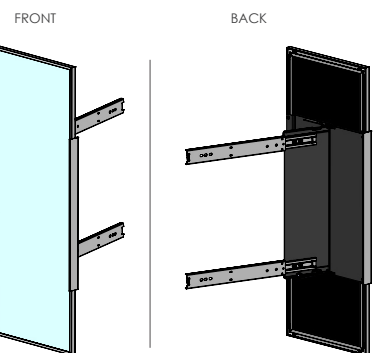

- Full extension ball bearing slides provide greater flexibility, extending the pivot point further out from the front edge of the closet – allowing for full rotation

- The full extension mirror is ideal when installation is required on the outside of a panel and rotated inwards
